

What is your motivation for seeking public office?

I believe that I have the experience necessary to effect change on behalf of Nevada's conservative ideals.

2. What are your views on the role of Government? What should be the role of Federal Government? What should be the role of State Government?

I believe in a limited, efficient and responsive government on behalf of the people.

3. If your views of Government differ from what is taking place now, what would you do to move Government closer to your vision of how it should operate?

Cut it back and make it more accountable to the people.

4. What shapes your views on how to vote for or against legislation? If you are running for the office of Governor please explain what shapes your approval or veto of legislation? (For Legislative and Gubernatorial Candidates)

I vote against a bill if I believe that it will hinder our rights and freedoms.

5. Give us some idea of the type of legislation you would most likely introduce? What do you feel is the most urgent and important legislation?(Non Legislative Candidates Exempt)

Illegal Immigration reform, Education reform, etc.

6. What is your stance on ownership of firearms? What sorts of restrictions or bans should be in place? Your views on Concealed Weapons Permits?

I believe that the Second Amendment guarantees a personal right to keep and bear arms.

7. Would you be willing to help a pro choice helmet bill to the governor's desk for passage?

State Legislator - What are your views on the mandated helmet use here in Nevada? Would you support legislation which allows an adult 21 years of age or older to choose a helmet?

I co-sponsored this bill.
